RECITALS

A. **Ownership**: Rudolph and Jurkenas each own 50% of the membership interests in MNI, governed by an Operating Agreement dated August 17, 2018.

Docusign Envelope ID: 52409F19-500E-40AA-A025-FFCF9ED2A781

C. **Dispute**: The parties have had operational disagreements, culminating in litigation that was referred to mediation, which was unsuccessful, and then to arbitration, per the order of the Superior Court of New Jersey, Chancery Division, Morris County.

- Jurkėnas asserted claims against MNI for loans made in the amount of $270,000.00, unpaid guaranteed distributions and wrongful breach of the License Agreement.
- Rudolph asserted on his behalf and on behalf of MNI that Jurkėnas failed to perform his duties as Director of Marketing, and other conduct;
- Rudolph asserted on his behalf and on behalf of MNI that UAB Kalba and Jurkenas has violated conditions of Licensing and Distribution Agreement dated July 25, 2017, causing damages.
- The Parties dispute the factual assertions of the other, and their entry into this Settlement Agreement does not constitute an admission that the other party's assertions are true.

D. **Resolution**: Arbitrators were appointed, but the parties have agreed to settle their disputes on the terms outlined below. Negotiations were made in good faith and with the assistance of counsel as a result of which the dispute has been resolved by:

- the purchase by Rudolph of Jurkenas's 50% membership interest in MNI;
- the payment by Rudolph set forth in paragraph 6 below and his agreement to cause MNI to reinstate the License agreement with certain changes; and
- the agreement by Jurkėnas to cancel all of his claims against the MNI;
- Licensing and Distribution Agreement dated July 25, 2017 shall be valid for eight months from the date of this Agreement period and Parties shall make an attempt to renegotiate the terms of the License Agreement as set forth in Paragraph 8 below and execute a new agreement, subject to certain conditions.

NOW, THEREFORE, in consideration of this agreement and the terms and conditions set forth below, the parties agree as follows:

a. As part of the settlement negotiations, Steven Rudolph proposed that the existing Licensing and Distribution Agreement, dated July 25, 2017 (**Exhibit E)** be terminated and replaced by an updated Agreement.

b. Jurkėnas, through his attorney, Nerijus Katilius, requested that the existing agreement remain in effect for a period of one year because "there are several errors, and certain terms still require clarification. Additionally, some provisions are currently unacceptable."

c. Katilius also noted that "reaching an agreement on this one may take no less time [than three months], potentially causing us to deviate from the broader framework of our general agreement." As a way to expedite the process of settlement, counsel proposed that "We can agree that the current License Agreement remains valid for 12 months from the signing of the Settlement [*sic*] agreement. If a new License [sic] agreement is not reached within this period, Rytis will no longer have the right to use the Company's intellectual property. Introducing such a provision could allow us to resolve our dispute this week while maintaining a fair balance of interests for both parties.

iii. If the parties do not reach agreement regarding a revised lease by the Extension Date, such that Jurkėnas and the other licensees shall have no rights to use MNI's intellectual property, the obligations of the Jurkenas Companies' existing License & Distribution Agreement shall terminate except that the obligations of the Jurkenas Companies referred to in the Licensing Agreement set forth in the first two provisions of paragraph 4, as well as the provisions of paragraphs 2, 5, 7 and 9 (a) and 9 (b).
